

## CATTLE MARKET IN PORTLAND IS FIRM

Situation is Extremely Good With Only Four Loads Reported in Over Night: Tops Are Again Selling at the \$8.25 Mark.

(Courtesy of The Journal.)

PORTLAND, Ore., April 8.—There was only a small run of livestock generally in the North Portland yards for the day. Only one load of hogs appeared and the best of these sold at \$8.65, which is practically the same as the best offerings went at yesterday with the exception of the stuff that carried no freight to Puget Sound points.

The local market for swine was considered steady. There was really no rush to purchase supplies even though but a single load put in appearance this morning.

At Chicago there was a weaker tone in the hog market generally with a loss of a nickel in the price. Kansas City hog market moved slowly with a loss of 5c to 10c for the day.

Omaha hog trade was steady to a nickel lower than yesterday. General hog market range: Best live 175 to 225 lbs., \$8.65; Prime heavy 225 to 250 lbs., \$8.50; Rough and heavy, \$8.00 to \$8.50; Pigs, 75 to 125 lbs., \$7.50 to \$8.25.

**Cattle Trade is Good.** While there was only a limited run of cattle reported on the North Portland market today, 4 loads being the total run, the action of the market during the last 24 hours indicated a somewhat improved feeling in the

trade generally. Some yearling steers sold at the opening of the market this morning at \$8.25 for extreme top. This is in line with the performance of the market yesterday.

General cattle market range: Prime steers, 110 to 1200 pounds, \$8.00 to \$8.25; Good to choice steers, 7.75 to 7.85; Common steers, 7.00 to 7.25; Prime spayed heifers, 7.00; Good to choice dehorned cows, 6.85 to 6.95; Best bulls, 5.50 to 6.00; Common bulls, 4.00 to 5.00; Best light calves, 9.00 to 9.50; Ordinary calves, 8.00 to 8.75.

**Sheep Situation Generally Easy.** The situation in the sheep and lamb trade throughout the country is generally showing an easier tone with somewhat lower prices in effect. Locally there was a fair run overnight, and some stuff was being offered from a nearby feed lot. The market ruled practically within the same limits as yesterday, although the trend was not so steady.

At Chicago there was a weak tone in the sheep market today. The Kansas City sheep market ruled steady at former prices.

Omaha sheep trade was generally steady today. General mutton market quotations: Spring lambs, \$10.00; Best lambs, 7.10 to 7.25; Poor lambs, 5.50 to 6.00; Best ewes, 5.25; Ordinary ewes, 4.50 to 5.00; Best yearling wethers, 6.25 to 6.50; Wethers, 5.50 to 6.00.

**ECZEMA COVERED ENTIRE SCALP.** Spread to Body, Limbs, Back and Ears. If Scratched Would Bleed and Smart. Cuticura Soap and Ointment Completely Cured.

R. F. D. No. 2, Sunfield, Mich.—"I was troubled with eczema. It began with a sore on the top of the scalp, broke out as a pimple and grew larger until it was a large red spot with a crust and scab over it. This became larger finally covering the entire scalp and spread to different parts of the body, the limbs and back and in the ears. These sores grew larger gradually until some were as large as a quarter of a dollar.

They would itch and if scratched they would bleed and smart. The itching would irritate them at night when it was being moved causing them to itch and smart so I could not sleep. A watery fluid would run from them. My scalp became covered with a scale and when the hair was raised up it would raise this scale; the hair was coming out terribly. My scalp and body itched all the time.

"After using Cuticura Soap and Ointment with two applications we could notice a great difference. My way of using the Cuticura Soap and Ointment was to apply the Ointment to the sores and all over the scalp, then after I would wash the sores and scalp with the Soap. In a month's time I was completely cured." (Signed) Mrs. Bertha Underwood, Jan. 3, 1913.

Cuticura Soap 25c, and Cuticura Ointment 50c, are sold everywhere. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.

The following is the form and number in which the measure will be printed on the official ballot.

**PROPOSED BY INITIATIVE PETITION.** Charter Amendment providing for re-assessment of property assessed, or liable to assessment, for the opening, altering or in any manner improving of any street, construction or repair of sewers, or for any kind of local improvement, heretofore or hereafter made by The City of Pendleton.

402. Yes. Vote YES or NO.

The full title and text of such measure is as follows:

To propose by initiative petition an Act to amend the Charter of The City of Pendleton, Umattilla County, State of Oregon, and to provide for the re-assessment of property assessed, or liable to assessment, for the opening, altering, grading, paving or improving of any street, or the construction, reconstruction or repair of any sewer, or for any kind of local improvement which has been, or may hereafter be, made by said City.

Be It Enacted by The People of The City of Pendleton:

The People of The City of Pendleton do Ordain as follows:

That the Charter of The City of Pendleton, Umattilla County, Oregon, shall be amended by adding thereto a section to be numbered SECTION 1 B, that whenever an assessment for the opening, altering, grading, paving or improving of any street, or the construction, reconstruction or repair of any sewer or for any kind of local improve-

ment, which has been or may hereafter be made by the City, has been or shall hereafter be set aside, annulled, declared or rendered void, or its enforcement refused by any court of this state, or any Federal court, having jurisdiction therein, whether directly or by virtue of any decision of such court, or when the council shall be in doubt as to the validity of such assessment, or any part thereof, the council may, by ordinance, make a new assessment, or re-assessment, upon the lots, blocks or parcels of land which have been benefited by such assessment, to the extent of the value thereof. Such re-assessment shall be based upon the special and peculiar benefit of such improvement to the respective parcels of land assessed, at the time of its original making, but shall not exceed the amount of such original assessment. Interest thereon from the date of delinquency of the original assessment may be added at the discretion of the Council. Such re-assessment shall be made in an equitable manner, as nearly as may be in accordance with the law in force at the time it is made; but the Council may adopt a different plan of apportionment of benefits, when in its judgment essential, to secure an equitable re-assessment. The proceedings required by this Charter to be had prior to the making of the original assessment shall not be required in such re-assessment. The Council shall be authorized to make such re-assessment as it may deem proper, and such re-assessment shall be made and shall become a charge upon the property upon which the same is levied, notwithstanding the omission, failure or neglect of any officer, body or person to comply with the provisions of this Charter concerning such re-assessment or improvement may have been irregular or defective, whether such irregularity or defect be jurisdictional or otherwise. Such re-assessment shall not be made in case of a street improvement wherein a remonstrance sufficient in law to defeat the original improvement shall have been filed. The Council shall by resolution declare the district that has been or will be benefited by the improvement for which the re-assessment is to be or shall be made, and shall direct the Recorder or City Engineer to prepare a preliminary re-assessment upon the property included therein within a time to be fixed by said resolution. Upon the passage of such resolution the Recorder shall, as soon thereafter as such re-assessment is prepared, give notice by ten successive publications in some daily newspaper published in the City of Pendleton, that such re-assessment is on file in his office, giving the date of the passage of the resolution directing the making of the same and the time at which the same will be heard and considered objections to said re-assessment by parties aggrieved thereby, and when such persons do not depart until the re-assessment has been completed. The Recorder shall forthwith mail to the owner of each lot or part thereof, or tract of land, affected by such re-assessment, his agent, if the postoffice address of either be known to the Recorder, a notice of such re-assessment, and if such address be unknown, then such notice shall be directed to such owner or agent at Pendleton, Oregon. The owner or owners of any property which is included therein, upon the passage of such resolution, shall be notified by the Recorder in writing of such re-assessment. At the time appointed in such notice the Council shall hear and determine all objections which have been filed by any party interested. The Council shall have power to adjourn such hearing from time to time and shall have the power, in its discretion, to revise and correct, or to set aside and order the remaking of such re-assessment, and shall pass an ordinance approving and confirming such re-assessment as corrected and remade by it, and such decision shall be a final determination of the regularity, validity and correctness of the re-assessment, except as herein otherwise provided. When said re-assessment is completed and confirmed, it shall be entered in the Docket of City Liens and shall be enforced and collected in the same manner that other assessments for local improvements are enforced and collected. The amount of such re-assessment shall be paid, as of the date of such payment. And when it has been attempted to sell property for any assessment and such sale is found to be declared void, upon the making of the re-assessment the property shall be resold and the proceeds of such sale shall be paid to the purchaser at the former valid sale of his assets. But no proceedings shall be instituted for such re-assessment unless within ten days of the passage of the resolution of intention for the making of the original work, improvement or repair.

This notice is published pursuant to order of the Common Council, the first publication hereof being made March 16, 1914. THOS FITZ G
